Faceplant of the week

## Niall Horan

Poor Niall. The 1D star took a rather embarrassing tumble at the US Masters' Par 3 Golf Contest last week, as he was busy trying to impress his sporting hero, Northern Irish golfer Rory McIlroy, 25. Niall, 21, was acting as Rory's caddie and carrying his clubs when he had a little fall – which just happened to be caught on live TV. You had one job, Niall... ■

Partying together  
at Steam And Rye

**K**elly Brook has proved she's moved on from David McIntosh once and for all – by flaunting her rumoured romance with hot new French beau Jeremy Parisi.

The pair looked totally smitten as they took a break from their hectic schedules in the US to enjoy a relaxing Easter weekend in London, swapping green juices for vodka as Jeremy accompanied Kelly for a promotional appearance in the capital.

They enjoyed some time together at swanky London restaurant Sushisamba and Kelly, 35, introduced Jeremy to pals at her own bar and restaurant, Steam And Rye. The pair also enjoyed a French Easter Sunday meal at Chelsea's La Poule Au Pot and joined friends for a stroll.

While Kel has been unlucky in love in the past, pals are rooting for judo instructor Jeremy – and say she seems happier than ever.

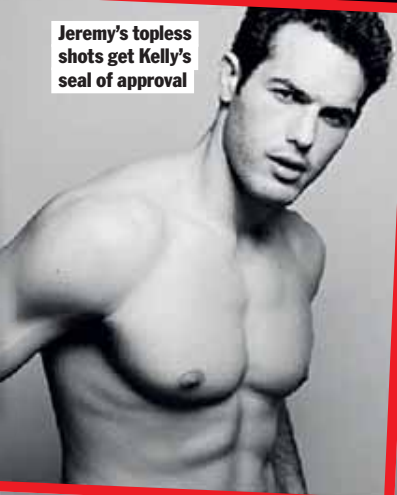

"Kelly went to hell and back with David, but she's been enjoying spending time with Jeremy and getting to know him," an insider tells *Star*. "It's still early days, but Kelly wanted to introduce him to her life here in the UK. She seems happier than she has been in a long time and it's all down to Jeremy."

**Has the model finally found love?**

Jeremy's topless shots get Kelly's seal of approval

Kelly first met Jeremy in LA, where she's been starring in new sitcom *One Big Happy*. Keen to get into the LA way of life, the actress has undergone a lifestyle overhaul and sought his help to tone up with private judo lessons.

But it looks like it wasn't long before romance blossomed between the pair – and they didn't seem to care who knew when they started flaunting it over social media.

While Kelly left flirtatious emojis on his topless modelling shots, Jeremy wished her luck with the premiere of *One Big Happy*. And the pair certainly looked cosy when they posed for photos together during their London visit.

Now we see why you're so motivated to hit the gym, Kel! ■

# More pain for Perrie

## Big Brother producers want Zayn 'cheat' girls for the summer series

**F**ollowing weeks of turmoil, Perrie Edwards has been dealt another devastating blow – as it was revealed that Zayn Malik's alleged flings could be headed for the *Big Brother* house.

Former One Direction star Zayn was accused of cheating on fiancée Perrie with nightclub worker Martina Olsson and fan Lauren Richardson before quitting the band's world tour in Thailand last month.

But now Channel 5 bosses are said to want Martina, 24, or Lauren, 26, to pull in ratings for the summer series of the reality show, after Wayne Rooney's ex-fling and eventual winner Helen Wood proved popular last year.

Understandably, the Little Mix star isn't best pleased.

"Perrie has been trying to put all these rumours behind her and focus on her relationship with Zayn," a source tells *Star*. "But when she heard that either Martina or Lauren might be appearing on *Big Brother*, her heart sank as she knows the whole thing will be dragged up again."

A *Big Brother* spokesman refused to confirm or deny rumours that the girls had been approached for the show, saying, "We do not comment on rumours about potential housemates."

Zayn shocked the world when he quit One Direction following cheating allegations last month, saying he just wanted to be a "normal 22-year-old".

Seemingly choosing to ignore the cheat claims, Little Mix star Perrie recently jetted off on holiday with her beau, and has been spotted spending time with his family.

The couple – who began dating in 2012 and got engaged the following year – look set to move forward with plans to marry, and could tie the knot as early as this year.

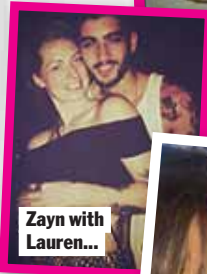

But pals worry that if Martina or Lauren do sign up for *BB*, the wedding plans could be in jeopardy.

Our source concludes, "Perrie is hoping that neither girl takes the bait of appearing on television."

Let's hope for your sake they don't, Perrie! ■

# AT WAR OVER ROB!

**Their younger brother's issues are pulling them apart**

**K**hloé Kardashian is at loggerheads with her sister Kim over how to deal with their brother Rob's worsening depression.

While Khloé, 30, has been tirelessly supporting Rob, 28, through his difficult phase, mum-of-one Kim, 34, has been less than forgiving, causing a bitter rift between the siblings.

The family's troubles came to a head when they decided to stage an intervention for Rob over

Easter weekend, causing him to flee from Khloé's home, where he has been staying.

"Rob was very upset his family tried to intervene," a source explains. "He worried everyone by leaving – Khloé almost filed a missing person report when they hadn't heard from him for days."

But Rob, who is battling weight gain and depression, finally returned to Khloé's LA home.

Rob has been on a downward spiral for the past two years,

## THE KARDASHIANS TAKE ARMENIA!

Putting aside their differences about brother Rob, Kim and Khloé teamed-up to visit Armenia for the first time to see where their late father's ancestors lived.

And in between sightseeing and taking a respectable amount of selfies, Kim also made the revelation that she has three cousins whose names all begin with a K – just like her and her sisters!

Sharing a snap of them all meeting the country's Prime Minister, Kim wrote, "Khloé & I bought along our cousins Kourtnei & Kara Kardashian. We miss you Krista! Yes we have 3 cousins who are sisters that all start with a K too! LOL."

During their meeting with the political leader – which was captured on camera for their reality TV show – the pair were

thanked for raising awareness of the 100th anniversary of the Armenian genocide.

Receiving true VIP treatment, they were given a military escort as well as gifts of bread and salt – presents usually given to visiting dignitaries – as they explored the country with Kim's hubby Kanye West, 37, and their 22-month-old daughter North.

# 'My secret trick to dropping 13lb'

**Khloé posted this shot with Rob in January**

growing increasingly reclusive and distant from his family. But Khloé and Kim's different attitudes to how to deal with him have caused heated rows between the pair.

"Kim doesn't have the patience that Khloé has with Rob," our insider continues. "And she still can't forget that he didn't attend her and Kanye's wedding last May."

"It's breaking Khloé's heart to see Rob cut off from his family. She tries to be the mediator but she's emotionally exhausted."

The sisters rowed about Rob on a recent episode of *Keeping Up With The Kardashians*, ending with Khloé calling Rob in tears to try to reason with him.

Momager Kris Jenner, 59, revealed that Rob has gained over 100lb in the past year and she worries he is "going to die", possibly referring to the fact he was pictured with drug paraphernalia last year.

After the show aired, Khloé vented her frustration over Kim's attitude online, tweeting, "You can never just give up on your family #KUWTK we all have our tough patches in life and we all need our loved ones by our side."

As Rob continues to refuse his family's help, they are becoming more concerned for his health.

Last week, his aunt Karen Houghton said, "I can't talk to him – I don't know where he is. I pray for him. I hope Rob comes out and shows his wonderful personality. Who cares if he's a little overweight? Rob is such a sweet boy."

We hope you're OK, Rob. ■

## The simple change that helped transform her figure

**S**he looks incredible after losing almost a stone in weight, and now Khloé has revealed exactly how she's overhauled her body.

But forget tough workouts – the reality star says her transformation is down to her diet, as just slaving away in the gym didn't give her results.

"I never used to watch what I ate," she says, "I would just kind of eat whatever. But I realised, 'I work out all the time. Why can't I drop this weight?' It's food! So I started dieting a little."

Then she lets fans into her secret trick, explaining, "I don't eat dairy any more – or I try not to because I'm addicted to cheese! I lost 13lb since January from just cutting out dairy."

But despite her diet overhaul, Khloé hasn't quit her tough gym sessions. "I try to work out five times a week," she adds. "It's a lot, but I feel great when I do it. I focus on different body parts, making me more lean rather than big and bulky."

Working with celebrity trainer Gunnar Peterson, she explains, "Gunnar switches up your workout every single day. [We do] cardio circuit training, running up your heart

rate so you're burning triple the calories you would if you were just weight lifting."

Khloé, who turned to fitness for "therapy" after her split from husband Lamar Odom in 2013, once admitted, "People love to call me the fat one." But now a source close to the reality star says, "Khloé looks amazing, but her weight loss has also had a big impact on her emotionally."

"For the first time in years she feels completely comfortable in her skin. Her self-confidence has sky rocketed."

We can certainly see why, Khloé! ■

# 'There are some **serious** rows this year!'

The BGT judges admit there's more tension on the panel than ever

**T**he moment we've all been waiting for has come... *Britain's Got Talent* is back! After what feels like forever, Simon Cowell, David Walliams, Amanda Holden and Alesha Dixon have yet again returned to our screens and are on the hunt for the UK's weirdest and most wonderful talents. And in true *BGT* style, hilarity and hysteria ensues when the acts hit the stage and face the music.

When *Star* catches up with the judges at the *BGT* press launch, it's clear there's no sign of their playful banter dying down. The stars are on top form, even

though the panel's resident joker David, 43, is missing.

The comedian had booked a romantic holiday to the Maldives with ex-wife Lara Stone, 31, but ended up taking pal Jimmy Carr, 42, after the couple announced their split last month. But Simon, 55, is quick to assure us that he has spoken to his pal and that he's doing "fine".

Luckily, Mr Cowell and the girls keep us entertained with their camaraderie – while Alesha, 36, and Amanda, 44, bring the glam factor in their gorgeous frocks.

The judges tell us which acts they're rooting for, why they're

hoping this series will prove more popular than ever before, and which panellists argue the most...

**Hi guys! Amanda admitted she's planning to cause some mischief with Alesha...**

**Amanda:** When we go live, we just won't be listening. We won't take direction. There is nothing anyone can do to stop us this year!

**Simon:** This year?! [Laughs] **Will we see disagreements between you lot this series?**

**Amanda:** There were some serious fallings out! We got told off quite a lot...

**Simon:** You were swearing quite a lot!

**Who argued the most?**

**Amanda:** Alesha and David!

**Simon:** When you're stuck with people for ten hours at a time, you do get fed up with each other! **The ratings weren't as good last year...**

**Simon:** Hopefully we'll do better than last year. The show has done well over the years, so we'll see.

**Are you proud of the fact you include acts of all ages? Showbusiness can be fickle and shun older acts...**

**Simon:** That's why Amanda's on the panel!

Amanda's planning some mischief!

Alesha's got hidden talents of her own

**Amanda:** You've got ten years on me, mate!

**BGT has been criticised for favouring singers...**

**Simon:** It was a bit top heavy last year.

**Amanda:** That's your fault, though!

**Simon:** Maybe, but there are fewer singers this year. It's evened out. We do listen!

**We've seen the first episode, but have we seen the winner?**

**Amanda:** I think the choir has a good chance – you can't not like them. It's something we've never heard before and I can smell albums!

**Simon:** There are some other good ones to come.

**Who has been your favourite act so far?**

**Simon:** A singing dog is hard to beat!

**Amanda:** The dog that keeps attacking Ant. There will probably be a movie about it!

**Alesha:** For me, it's Callum [a singer in the first show].

**Simon, you pressed the golden buzzer for Callum...**

**Simon:** We just got lost in his performance. It was magical. Sometimes you think, "Christ, what was I doing?" But I was glad I pushed the button. It was great and he's a really nice guy.

**Alesha:** And fit, too – that always helps!

**Would you ever do a talent show**

**entirely dedicated to animal acts?**

**Simon:** We've already thought of that idea. Someone approached me in America recently and asked if I would be a judge on *Animals Got Talent*, but I said no.

**Alesha:** It would be disastrous!

**Do you have any weird and wonderful talents we're not aware of?**

**Amanda:** None I can talk about!

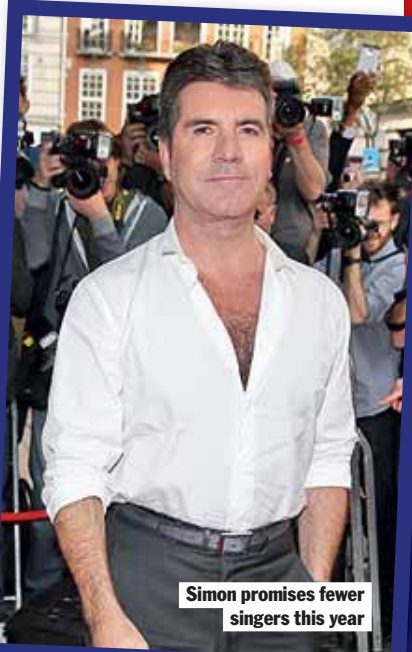

**Alesha:** Does this count? [Rolls her tongue]

**Simon:** Alesha does some pretty amazing things with her tongue!

**Amanda:** That's probably how she got the job! ■

Chezza's not in Amanda's good books

# Simon turns Amanda against Cheryl!

She plans to insure her assets

**S**imon Cowell has ruffled feathers between Amanda Holden and Cheryl Fernandez-Versini, after fooling the *BGT* judge into thinking Chezza will be replacing her on the panel!

He pulled the cruel prank on the longstanding judge during BBC Radio 1's *Call Or Delete* game with Nick Grimshaw last week.

He said afterwards, "I did wind Amanda up... I told her that she was being replaced three days a week with Cheryl on the live shows, because she is younger and there is more value in her."

Amanda then joked that she couldn't help but be annoyed at the 31-year-old singer, saying, "I have to say I feel really bitter towards Cheryl, and she doesn't know anything about it, bless her!"

In other Amanda news, the presenter is planning to insure her nipples – for £1 million each!

She's joining the celeb trend of protecting body parts after the attention her assets got in that tight-fitting khaki dress last month.

The mum-of-two said, "If it was good enough for Kylie Minogue's bum or Mariah Carey's legs, it is definitely required for my nipples. I've got to make sure all my best assets are protected."

What next? Simon's hairline? David's bum? ■

# Beyoncé's family crisis

**She doesn't want estranged dad to profit from a Destiny's Child reunion**

**B**eyoncé's bitter feud with her father is putting the long-awaited Destiny's Child reunion album and tour in doubt – as the singer apparently doesn't want him to share the money it would bring in.

The 33-year-old singer and bandmates Kelly Rowland and Michelle Williams, both 34, are keen to start work on an album and tour. But Mathew Knowles, 63, is the spanner in the works.

A source reveals, "Beyoncé's dad Mathew may not manage them any more, but he still owns a 25 per cent stake in Destiny's Child and is entitled to a quarter of the profits from anything the girls do under that name."

Destiny's Child split in 2005 and, at first, Mathew continued to manage each of the girls' solo careers. But one by one they fired him – Kelly in 2009, Michelle in 2010 and Beyoncé in 2011.

"This was not a normal ending of a business agreement," Mathew revealed after the break with Bey. "This was a dad and a daughter and it was incredibly painful and it had some difficulties."

The rift between Beyoncé and her dad was deepened by his bitter split with her mum Tina.

Bey fell out with her dad Mathew

The couple divorced after over 30 years when it emerged he'd fathered a son, Nixon, now five, with actress Alexandra Wright. DNA tests later confirmed he is also dad to four-year-old daughter Koi with model Taqoya Branscomb.

When they performed together at the Stellar Gospel Awards last week, Bey, Michelle and Kelly wowed the crowd. However, they were introduced by their first names, rather than as Destiny's Child.

Now fans are hungry for a reunion, the girls are looking for a way to pull it off without having to deal with Mathew.

Under his management, Destiny's Child won three Grammys and sold 60 million albums worldwide, and their 2005 tour grossed more than \$70 million in the US alone.

But at a child support hearing last year, Mathew said he'd lost his life savings and his outgoings far outstripped his current income – making it unlikely he will waive his cut of the profits.

"Business is business and he'd be within his rights to claim his 25 per cent," says a source.

We just hope you all work it out, guys. We can't wait to see you back together! ■

Michelle, Kelly and Bey want to work together again

## WHAT SEVEN YEAR ITCH?

Bey may be having problems with her dad, but things with Jay Z are

back on track after talk they were on the verge of splitting last year.

Bey dedicated her new song, *Die With You*, to Jay for their seventh wedding anniversary on 4 April and they enjoyed a romantic holiday in Hawaii, while Bey's sister Solange looked after daughter, Blue Ivy, in LA.

Jay also posted a clip from their 2008 wedding, which was shrouded in secrecy when it took place. ■

# 'Nothing prepares you for being a mum'

**Frankie Bridge admits having a baby was a shock to the system**

**T**here isn't much that fazes Frankie Bridge. She has enjoyed worldwide success with *The Saturdays*, married footballer Wayne Bridge and was runner-up in last year's *Strictly Come Dancing*.

But the 26-year-old, who is mum to 18-month-old Parker and five months pregnant with her second child, has no plans to ease up on her hectic schedule.

We talk motherhood, her *Strictly* "family" and what's next for her career...

**Hi Frankie! How is life different since becoming a mum?**

No matter how much you read or how much advice people give you, nothing can prepare you. It was a big adjustment – my priorities have changed massively. I no longer do things for myself, it's all about giving Parker the best life possible.

**How does Parker feel about getting a brother or sister?**

He's a bit too young to realise what's going on, but he's great with babies. We went to visit Una Foden and her new son Tadhg. Parker was obsessed with playing with him, so hopefully we won't have jealousy issues!

**How often do you see the Saturdays girls?**

We speak all the time, even if we don't see each other as often as we do when we're working as a band every day. And the Saturdays kids get on brilliantly. It's so lovely to see them playing together.

**What's your best tip for mums?**

Moisturise! Your skin gets extra dry during pregnancy, so use a good

body moisturiser and stretch mark cream every day.

**Give us some of your beauty secrets...**

I love Complete Radiance Illuminator Moisturising Lotion – it makes your skin glow. I always use Kiehl's Crème De Corps and I'm a huge fan of Max Factor mascara as I look naked without eye make-up!

**How do you beat bad hair days?**

Dry shampoo is a necessity. It's the quickest solution to a bad hair day – or I'll throw on a hat!

**You've had a tough time with morning sickness...**

From seven weeks on it was awful – I don't think I've ever felt so ill. I was constantly nauseous and being sick. Thankfully the worst has passed now.

**Sadly it meant you had to pull out of the Strictly tour. Was that a difficult decision?**

I was absolutely gutted to miss the live tour. I had the most incredible time on *Strictly*. The other contestants and dancers were so lovely and we became a little family.

**Was it physically tough?**

The amount of work involved was intense. We rehearsed nearly every day for 12 hours, so it was both a physical and mental workout.

# MEGAN'S HEARTACHE

## 'I hate being away from Teddy'

### Dan Osborne's ex is left reeling as he introduces their son to Jacqueline

**M**egan Tomlin was in tears last week after Dan Osborne finally introduced their 15-month-old son Teddy to Jacqueline Jossa.

Dan, 23, flaunted the meeting online, posting a picture of Teddy with his two-month-old half-sister Ella, captioned, "Absolutely priceless!! #mybabies."

Although Megan knew it was inevitable Jac would one day meet Teddy, she wanted to get to know her first so she felt at ease with her being in her son's life. As her brother Remzi Tomlin told *Star* recently, "She asked Dan if she could meet her and he said no. Megan wants to get to know her before she gets involved with Teddy's life, but Dan's not allowing that to happen."

An insider tells *Star*, "Megan is a doting mum, so obviously she's upset someone she's never met is with her son. She misses Teddy so much when he's not with her."

The meeting comes two weeks after Megan, 23, broke her silence about the harrowing tapes that showed Dan's abusive nature.

In one he raged, "I will end your f\*\*king life if you shag another man. I will stab you in the f\*\*king throat." As Teddy cries, Megan pleads, "Don't start hitting me."

Prior to the shock exposure of the tapes, Jac, 22, who has been dating Dan since August 2013, hadn't met Teddy. Dan admitted in March, "It's something I'm trying to sort out. It's just a matter of time."

He continued, "In a few months he'll start to understand he has a little sister. They'll grow up as close as anything." While Jac added, "I'd like them to have a lovely relationship."

Megan has always tried hard to maintain Dan's relationship with Teddy, so now he's living with Jac, she accepts the actress will play an increasing role in her son's life.

"Jac was keen to meet Teddy," our source adds. "He's a big part of Dan's life and it's important to her they have a relationship." ■

## MICHELLE FEELS THE HEAT

Michelle Heaton found herself in hot water last week when she waded into the Dan and Megan domestic abuse row. She wrote, "Every week there's another story about Dan Osborne or the ex or the ex's brother or the ex's neighbour's cat's cousin! I'm bored of the whole circus."

But fans were quick to hit back at the 35-year-old for her insensitivity, including Remzi, who tweeted, "It's disgusting how you can make such a light joke over a situation of domestic violence... giving the view it's okay to be violent."

Michelle was quick to apologise, saying, "I'm not his biggest fan and don't condone this at all." ■

## FUN, FEISTY AND FRANK... THE ESSEX GAL SPILLS ON HER LIFE

*Hiya!*

I had such a relaxing time in Gran Canaria last week thanks to Icelolly. Our hotel had three pools and was all-inclusive so we didn't need to leave! Although I did pop out for PG Tips... I must have English tea. I drink about four cups a day!

*Chloe*

### Waist training

I've ordered a waist trainer like Kim Kardashian's from [cokebottlecarteluk.co.uk](http://cokebottlecarteluk.co.uk) as I've been feeling really bloated. I know people will say, "You don't need it!" but it's not to lose weight. I'm a size 8, so it's more to tone up my middle. I've also got a bit of a saggy bum! I've been eating the same as Elliott recently, which hasn't helped...

### The Wright choice

Some of you would have seen Elliott joking about marriage and asking me if I want to become "a Wright" in an interview on ITV Player. Sometimes I can see myself settling down with him, but other times I'm not sure. I don't think I'm at that place in my life at the moment.

### Making up with Mario

You didn't get to see it on camera, but Mario Falcone and I have made up. We hadn't spoken for a year after our fallout, but we've cleared the air and there's no awkwardness now. I'm really glad, as we were good friends before.

### Hair dramas

I'm undecided about my new hair. Sometimes I really like it and then sometimes I really don't! I feel like everyone's waiting for me to give up and dye it back. I might get dark roots dyed back in as it's high maintenance. I've had to change how I do my make-up to match!

### Steer clear, Amy!

I love Amy Childs' new brunette look – it really suits her. I heard she got close to Dane Bowers at a party recently. All I'll say is, "Be careful, Amy!" Dane's nice but since he split with his partner, he's on a bit of a mission. When we filmed *TOWIE* last year in Tenerife, he was out there as well and we all went clubbing. He was trying it on with a lot of the girls – even me!

### You can't take the girl out of Essex!

There are rumours I'm quitting *TOWIE* and moving to Marbs with Elliott. I've no plans to leave the show yet, but I'm considering the idea of going to Spain in the future. Elliott has already gone and I'll fly out at weekends when I can. We'll go from there.

# Amy and Lauren's changing faces

2014

2014

## The former TOWIE stars have dramatically different looks...

**W**e were shocked when we saw these photos of Amy Childs and Lauren Goodger last week, as both appear to look dramatically different.

The former *TOWIE* stars' faces seem to have far more sculpted features in comparison to older snaps from last year, sparking speculation they may have had a little cosmetic help.

Star spoke to Transform's Mark Norfolk to get his expert opinion. He told us, "Many women opt for cheek enhancement, which gives definition to the cheekbones. I would suggest Lauren has had

Botox in her forehead and fillers in the cheek area. Amy has possibly had rhinoplasty, as her nose looks thinner than previously.

"Both Amy and Lauren appear to have lost weight. When a significant amount of weight is lost it can make other features look bigger or make your face appear very different, for example the nose longer and eyes bigger. It's difficult to say if Amy has had cheek fillers, since weight loss may accentuate that area of her face."

Amy, 24, says she regrets some of the surgery she has had done in the past, which includes breast implants and lip fillers.

"I got addicted and thought, 'Amy, what have you done to your face?'" she admits. "I don't want to look like a blow-up doll. I'm not going to mess around with my body any more."

Meanwhile, 28-year-old Lauren had a well-publicised nose job in 2011 to remove a small bump. "On TV, from certain angles, my

nose would look really awful," she said. "The more I watched *TOWIE*, the more of a complex I would get about my appearance." She also underwent surgery in 2013 to boost her bust from 34D to 34E, and last year had laser resurfacing.

"I had a CO2 laser procedure," she explained. "It burns off the top layer of your skin to make your face smoother, firmer and younger-looking."

Whether they've had further procedures we can't confirm – Amy's rep said she hasn't had any work done recently. But they look very different to us! ■

## DANNI'S FACE SHOWS THE STRAIN

Danniella Westbrook has endured some troubling times recently, and last week, she was spotted looking haggard and drawn while shopping in Liverpool.

Despite recently announcing she will reprise her role as Trudy Ryan in *Hollyoaks*, signs of her turbulent year were evident in her face.

Danniella, 41, has had ongoing battles with drugs and suffered her

fair share of heartache. In January 2014, the actress announced she was divorcing her second husband, Kevin Jenkins after 12 years of marriage – a split that left her broke.

She has since dated cage fighter Tom Richards, 25, but they split up in November 2014 after rumours that he had cheated on her. She also suffered several break-ins, forcing

her to flee her Essex home.

In December, Danniella admitted she was living in sheltered housing and had taken shifts as a barmaid at a London pub to help make ends meet.

It seems her traumatic year has taken its toll, as the lines etched on her face make her look far older than her years. We hope things look up soon, Danni. ■

**SAM**

# 'I'm happier than I was with Joey'

**The smitten star's new relationship is going from strength to strength**

**S**am Faiers is the most content she's ever been with new boyfriend Paul Day – and pals say it's because she now realises just how immature her relationship was with Joey Essex.

Sam, 24, has only been dating 26-year-old Essex property developer Paul for five months. But things are said to be getting serious as he's made her see what she was missing when she dated Joey, 23, for three years.

She is apparently relieved to be in a grown-up relationship after her on/off romance with the notoriously ditzzy star – who once asked who the prime minister of Essex was and admits he can't tell the time!

A source tells *Star*, "With Paul, Sam is in the happiest place she's ever been. She's with a man, not a boy. Their relationship is a lot more balanced than her relationship with Joey, and it's definitely more mature. She likes the fact Paul isn't interested in being in the

limelight. It's not his thing."

Sam and Joey's turbulent times were well documented when they both starred in *TOWIE*. They split up three times between 2011 and 2014, but continued to drift back together and even planned to marry after Joey proposed in April 2013.

But it seems there is no going back for Sam this time. In January she told *Star* that she was looking for a man to "sweep me off my feet" – and it sounds like Paul could be The One!

In the past she has spoken about wanting to settle down at a similar time to sister Billie, 25, who has nine-month-old Nelly with fiancé Greg Shepherd.

Sam is loved-up with boyfriend Paul

Her relationship with Joey was turbulent

"They are going away for a couples' holiday with Billie and Greg to Dubai next month," adds our source. "All the family really like Paul and approve of him."

Good to hear that you're happy, Sam! ■

**Katie Keegan**

## Mark and Elliott's wedding war!

The Wright family may be one of the closest in Essex, but they have been rocked over Mark Wright and Michelle Keegan's wedding!

Elliott Wright, 32, is said to be fuming that girlfriend Chloe Sims hasn't been invited to Mark and Michelle's nuptials in Suffolk next month.

A source says, "Elliott wasn't with Chloe when the invitations were sent out, so she wasn't

included. But since rekindling their romance, he has said he won't go if she can't accompany him. It's caused a bit of a rift and has been a headache for Mark and Michelle."

However, the insider adds, "If Elliott and Chloe are still seeing each other when the wedding comes around, it is very likely she will attend as his guest."

Chloe's rep declined to comment. Elliott's rep told us, "Mark and Elliott have not fallen out." ■

# Lindsay's Photoshop fail

**The actress is caught digitally slimming her waist – again!**

**D**espite being caught out in the past for making her already-petite frame look even smaller, eagle-eyed fans have once again pulled up Lindsay Lohan for digitally altering her social media selfies.

The 28-year-old took to Twitter earlier this month to rave about the new waist-training corset she had received. But unfortunately for Li-Lo, she didn't realise the digital alterations she had made to slim her waist were plain to see!

The stairs pictured behind the star looked warped – a clear giveaway that an image has been manipulated – and one Twitter follower quickly commented, "The photoshopping is hilarious (look at the bottom of the stairs)!"

Another pointed out that Linds has no reason to cheat, saying, "I don't know why she feels the need to Photoshop, she's skinny."

But others were less kind to the actress. One blasted, "How delusional these people must be to resort to publishing enhanced & distorted selfies."

This isn't the first time Lindsay – who has swapped LA for London – has come under fire for manipulating her online images. In January she posted a shot of herself in a pair of Calvin Klein knickers and a cropped turtleneck, showing off a flat stomach and super-slim legs. However, the toiletries seen in the background appeared to be wonky, indicating that the image had been altered.

And a month ago, Linds faced a barrage of abuse when she posted another selfie on Instagram of her posing in a black bodysuit

with noticeably slimmed legs and her bottom looking rounder than usual. However, the doorframe behind her in the shot looked wobbly, leading one user to say, "Damn she photo shopped her leg to be smaller and ass to be bigger look at the door."

If we had Li-Lo's figure, we'd be happy showing it off just the way it is. But Linds, maybe a crash course in Photoshop wouldn't go amiss?

Lindsay's rep denies she altered the images. ■

## Li-Lo 'I'm not dating Jake!'

It seems Lindsay won't be appearing on **TOWIE** any time soon – after denying rumours she's having a fling with Essex Lothario, Jake Hall.

The pair, who were introduced by mutual pal Vas Morgan, have been hanging out since meeting in

February. But Jake, 24, is set on winning back his ex, Chloe Lewis.

Lindsay has insisted there's no truth to the speculation they're a couple. We're still not sure Chloe will be happy that Jake's been hanging around Li-Lo, though! ■

The Blue boys' reunion dreams have been crushed after they were dropped by their record label.

We always thought Nicki Minaj would be a bit of a diva, and if a leaked copy of her rider is anything to go by, we were right!

The *Voice* winner **Stevie McCrorie** reveals the naughtiest online comments he's received

star  
**EXCLUSIVE!**

**W**hen we meet up with Stevie McCrorie at the Ham Yard Hotel in London, what strikes us most is how humble he is – you'd never know he's just won *The Voice*!

Star finds out from the 29-year-old why his two-year-old daughter, Bibi, doesn't like watching him on TV, who went wild at the wrap party and the real reason he's keeping his old firefighting job open for return...

**Hi Stevie! Are you still on a high after your win?**

It's amazing to have won it, but it's surreal. I get moments where it's still sinking in. I get that feeling in my stomach and think, "What an achievement." Then it disappears!

**Who got the most drunk at the wrap party?**

Ricky Wilson! Definitely not me – two hours passed and I still had a pint in my hand, I was too busy talking. At one point I had to go and sit in a room for ten minutes on my own – it still didn't sink in!

**What advice did Ricky give you?**

He said to call any time I need him. And he told me, "Don't leave your wife [Amy] out, remember she's the most important person." It sounds like it's nothing to do with music, but without her everything would just fall apart.

**Is Amy proud of you?**

She always knew something was going to happen. When we first met she always said that she envisioned going to the cinema and people knowing who we were. Now it's actually happened!

**Does your daughter Bibi understand that you've won *The Voice*?**

She doesn't have a clue, but one day she'll look back at videos and be able to say, "My dad did that, so maybe I can achieve big things." I did it to inspire her.

**Has she watched you on TV?**

Yeah, but she says, "Daddy off. Cartoons! Mr Tumble!"

**Why do you want to keep your firefighting job open?**

People are saying it's fear of failure with what's happened in past years, but it's because I have a family. This

is a risk. I won a competition, but lots of people win competitions. It's making sure I've got a living for my family if I fail. It's all an if. It's a tough industry!

**What do you make of the criticism of the show this year?**

People like to say negative things. It doesn't

bother me. I've had a single that's gone to No1. Even if it doesn't stay there, it's happened. You've got to stay positive and not focus on the negatives.

**Have you had flirty comments on social media?**

I've had a few naughty things about firemen, like, "Put my fire out!"

And I got told this morning I'm a DILF. It's

not the worst thing to be called!

**Who would you like to collaborate with?**

I'd love to do something with Calvin Harris. I've done dance stuff in the past. He's amazing. It'd be good to do something different that people wouldn't expect. ■

# 'I'd choose Emma over MIC!'

**Oliver Proudlock admits his model girlfriend is his priority**

Proudlock's loved up with Emma-Louise

**O**liver Proudlock might be a star of bitchy reality TV show *Made In Chelsea*, but unlike the rest of the cast, he describes himself as "laid back and chilled" and admits he "doesn't have enough time to argue with people".

Still, every drama needs its mediator, and Proudlock, 29, is happy to play that role. And while his mates battle through their tumultuous friendships and rocky relationships, Prudders spends his time working on his fashion brand, So Serge, and with his model girlfriend, Emma-Louise Connolly.

*Star* catches up with Ollie to hear what went wrong with Lucy Watson and why he's ready to take the next step with Emma...

**Hi Proudlock! You seem very loved up...**

Emma's amazing. We just went to Glasgow and spent some time with her parents and her brother. It's nice meeting her family and for her to meet mine. We all get on so well. I guess the next step is for our parents to meet each other!

**Are you living together?**

It's not something we've really talked about. I'm living with Alex Mytton and Stevie Johnson. She lives five minutes away and we're with each other every night.

**Is Emma The One?**

Who knows? All I know is that I love her very much. I don't want to put any pressure on it.

**Would you ever quit the show for her?**

I play a very small part in the new series. A lot of shows revolve around relationships and obviously mine isn't in the show. If it came down to it, I love Emma more than I love *Made In Chelsea*.

**How does she compare to the MIC girls?**

She's a lot more laid back. I love to be with someone who doesn't take themselves too seriously and who's willing to have some fun!

**Before you were with Emma, you dated Lucy...**

She was very hard to read and she puts this wall up. You're trying to get to know her and connect, but she doesn't open up. I guess that's because of previous relationships where she got hurt. But we're all good now.

**Quite a few cast members are settling down...**

We're all grown up! We're all getting more mature. It's just weird timing that a few of us have found partners at the same time.

**You're running the London Marathon for the British Heart Foundation next week. Are you nervous?**

I've been training hard and trying to keep to a strict regime. I'm running three days a week and doing strength training twice a week. It puts a huge strain on your body, so it's a little bit worrying! But

I'm excited to be raising money for the British Heart Foundation, because I have a history of heart conditions in my family.

**Is that what motivates you to keep in shape?**

I'm a strong believer in a healthy body, healthy mind. **Spencer has also been hitting the gym...**

He's always been extreme like that. It's always all or nothing! He does these crash diets where he doesn't drink and trains really hard. I'm not a believer in that sort of thing. People do crash diets, but in the long run it's negative. A lot of people care about the way they look and not so much about what they're doing to their bodies. ■

EASTENDERS  
Busted's split in 2005 led to a short solo career, but the call of the soap was too much. Early last year, Matt, 31, popped up on *EastEnders* as Luke Riley.

**MARTIN KEMP** EASTENDERS

**LEE MEAD** CASUALTY  
Having succeeded on TV's *Any Dream Will Do* and in musicals, it was a guest spot on *Casualty* in 2011 that won Lee, 33, a full-time role on the drama in 2014 as Ben 'Lofty' Chiltern.

**ANTONY COSTA**

# CHERYL'S DEALT ANOTHER CAREER BLOW

The singer's left humiliated as producer Naughty Boy suggests she has no longevity as an artist

**C**heryl Fernandez-Versini has taken yet another career hit after producer-of-the-moment Naughty Boy admitted he wouldn't want to work with her.

The 30-year-old, who's joined forces with coveted artists such as Emile Sandé, Sam Smith and Zayn Malik, said, "Cheryl is a great pop star but I like to be stimulated a bit more with writing and lyrics."

The producer – real name Shahid Khan – added insult to injury when he questioned Cheryl's longevity as an artist.

"I have to make songs that I feel are going to be around for ten or 15 years, rather than just for this summer," he admitted. "There are lots of artists like Cheryl where you could give them a song, but I like to get into artists' minds and understand them."

His words have come as a blow to Cheryl, 31, who's faced a difficult few months in her career.

An insider tells *Star*, "It's been tough for Cheryl to be criticised by someone as current as Naughty Boy. She's always been popular, so his comments have hit her confidence."

The *X Factor* judge gained success as a solo artist after the

demise of Girls Aloud, with previous singles reaching the Top 20 in the UK charts. But her career has taken a nosedive recently with her latest single, *Only Human*, failing to make the Top 100. Cheryl's hubby, Jean-Bernard Fernandez-Versini, even hit out at her record label in a shocking rant on Instagram.

To make matters worse, Cheryl is yet to sign a deal for this year's *X Factor*, as rumours swirl that Simon Cowell is planning to shake up the panel.

Our source adds, "Cheryl's busy with her foundation, Cheryl's Trust, but she's worried about where her career is heading. After 13 years in the industry she feels she's earned the right to be taken seriously."

Her role as ambassador for L'Oréal will also see her in Cannes next month. From there, hubby JB apparently plans to take her on a tour of his native country.

That should take your mind off work worries, Cheryl! ■

## Vamp me up!

I heard about Sarah Harding joining *Coronation Street* – how weird! I'd love to be in *The Vampire Diaries*. I would live it, breathe it and sleep it! I'd be really good and I'd never leave. It's my favourite ever TV programme.

## Weird body hang-ups

Holly tweeted about hating the vein on her forehead, but us *Geordie Shore* girls all have weird body hang-ups. Marnie has massive feet and mine is my bong eye. I'm cock-eyed, so I never post pictures where it looks bad.

## I'm not too skinny!

Some people have commented that I'm too skinny and I'm obsessed with losing weight. I'm not planning on losing any more, but I certainly won't be putting it on. I am obsessed with exercising but in a healthy way – I enjoy it and it's a huge part of my life. Mind you, I'd rather people say I'm too thin than too fat!

## On the run

Lots of celebs will be running the London Marathon soon. It's on my bucket list, as I'd definitely like to do it one day when I have time to train for it – because I know you have to do a lot of training! When I do it, I'd like to raise money for an autism or cancer charity.

## No wedding bells... yet!

There was an ill-informed story in another magazine that claimed I want Mitch to propose to me. It's just not true! I've told my life plan to everyone – I want to get engaged when I'm 27 or 28, married at 29 and then have a child when I'm 30. All I can think about at the moment is buying a house. We want at least four bedrooms so we can have people to stay and a big drive for my car and Mitch's van.

## Bye bye James...

This week's *Geordie Shore* shows James leaving. I never thought he'd go. We gave him a big send-off – the only way to go out is with a bang! The new girl Chloe is like a different species, she looks like a tramp! I love Nathan, though. I joked about fancying him, but I've no idea why I said that now!

**A**lexandra Burke says the gloves are off when it comes to her new EP *Renegade*. The 2009 *X Factor* winner says she's taking control of her career and can't wait for people to hear her most personal songs yet.

With everything she has achieved over the past six years – as well as her no nonsense attitude – it's easy to forget that she's just 26 years old. But this lady certainly means business!

Chatting to *Star*, she opens up about her plan to find love, acting dreams and why she still finds it so emotional playing Whitney Houston's role of Rachel Marron in the stage show of *The Bodyguard*...

### Hi Alexandra! Does your new EP take a different direction?

It's me with my boxing gloves on, in the ring, speaking about things that I wasn't brave enough to speak about before. It's a taster of the album.

### So you're quite forthright on the tracks?

It's really, really personal. I touch on my love life, family life and professional life. I'm pretty private, so the fact I'm speaking about these things is a big deal for me.

### Do you feel the need to break away from the X Factor label?

It's important for any artist to have control. I'm at a point where I'm my own boss – I have a recording studio in my house now. I won one of the biggest shows on the planet, but now I can do things my own way. It's a bit of a rebellion!

### Do you regret going on the show?

No. In a sense it has given me my life. I still have a lot of respect for *X Factor*.

### You appeared as a guest judge on the show, but would you like a permanent mentor's role?

I'd love to – especially if I can offer something that's useful to people's dreams.

### What's the biggest lesson you've learnt from the music industry?

Don't be afraid to be yourself. I'm still learning self-confidence. I'm not 100 per cent there, but I choose to say I love myself and that I'm worthy to have whatever my heart desires. Everyone should do that when they wake up.

### Your EP is free to download.

### Why did you do that?

It's a gift for my fans as thanks for all their support.

### Are you dating at the moment?

I don't have time. I'd love to settle down and have a family, but there's a lot I want to do first.

### What else do you have planned?

I definitely want to do more acting. Doing *The Bodyguard* UK tour has given me a taste for it.

### Is it emotional to step into the late Whitney Houston's shoes?

It is. But the show continues her legacy. There isn't a performance when I don't think about her. ■

## HOW SHE KEEPS THAT BODY

### Alex shares her secrets to staying in shape

#### What's your regime on *The Bodyguard* tour?

The show keeps me really fit, but it's a lot of work so I have to be strict on my diet in order to get through it.

#### What do you eat?

My diet's basically gluten-free and I eat as much protein as I can to keep me going.

#### Do you still exercise when you're touring?

Yes, but I'll only work out once a week because I can't manage any more than that!

#### Do you have a health trick?

I drink lots of hot water, lemon and ginger to help my throat – it's a lot of singing!

# STACEY WARNED 'Don't risk your career for Steve-O'

## The singer skips work to spend time with her new man

**S**tacey Solomon may be loved-up with her new boyfriend, *Jackass* star Steve-O, but the singer has been criticised for putting him before her music and her fans.

On 4 April, Stacey, 25, and 40-year-old Steve-O posted loved-up pictures to Instagram – on the same night she cancelled a performance in Great Yarmouth due to “illness”.

Later that evening the couple went out to watch the filming of *Ant And Dec's Saturday Night Takeaway* in London.

While visiting her Essex home, the US stunt performer tweeted, “Having a wonderful time with my sweetheart... @staceysolomon #yeahbabe.”

Angry fans who had travelled to Vauxhall Holiday Park, where Stacey was booked to perform, voiced their disappointment.

“That is so unfair for her to say she is ill and then to be out in London. I hope she's ashamed of herself I can see her losing fans over this,” one tweeted.

The couple fell for each other in January while competing in winter sports show *The Jump*. Although Steve-O is based in LA, they have been making a go at a long-distance relationship.

A source tells *Star*, “Maintaining a long-distance relationship is hard, especially as they both have very busy schedules. Whenever they get the opportunity to see each other, they jump at it. They have really fallen for each other.”

“Since the backlash over her cancelled gig, Stacey is aware she must be careful not to jeopardise her career to spend time Steve-O.”

The holiday park said it was “disappointed” that the former *X Factor* star failed to show.

The couple appeared blissfully happy on a trip to Cornwall last week. Alongside a snap of them kissing, Steve-O wrote, “I wanted to be able to say I went surfing in England, so my sweetheart arranged a three-day vacation in Cornwall for us. @staceysolomon – you're the best!”

Stacey posted, “My first day ever surfing! With my wonderful family and perfect boyfriend. I am so happy.”

The singer, who is mum to Zachary, seven, and two-year-old Leighton, told *Star* last month, “Stephen's the nicest person. He is young at heart and fun like me, but he's also very thoughtful.”

Just don't risk everything for love, Stacey... ■

**The Valleys' Lateysa Grace** talks about surgery, struggles and suicide attempts

**L**ateysa Grace has lived a turbulent life for a 22-year-old. Known as the booty-shaking Beyoncé wannabe on *The Valleys*, her autobiography *Valleywood* reveals that there's much more to this girl than a brash party animal.

When *Star* sits down to chat to the reality star, she explains her troubled journey from coping with her mum's violent boyfriends and being thrown out of school, to drug abuse, suicide attempts and an emotional abortion...

**Hi Lateysa. It must have been hard writing about your two suicide attempts...**

I must have been a really depressed teenager to have wanted to do that. But when you start thinking of all the bad things, you think you don't want to be here any more. I'm a really closed person so it was hard to talk about the past, but I'm glad I did because there are a lot of teenagers who go through the same thing.

**Were there misconceptions about you after *The Valleys*?**

One hundred per cent. I want people to see who I really am. On *The Valleys* I come across as this girl who just loves herself, drinking and partying, but that's only part of the truth.

**Do you hope you can help people going through similar experiences?**

I feel the book will give people the message not to do the things I did, because you will regret them. I think about the abortion all the time...

She doesn't think she'll do another series

Ben's been a huge support

**Have the things you experienced as a child affected how you behave as an adult?**

My boyfriend of five years cheating on me made me a bit insecure. Obviously, my mum's men made me less trusting. I guess it's made me the person I am today – strong and independent.

**In your book, you claim TOWIE's James Lock told you he was only dating Danielle Armstrong for the show. Do you think that's true?**

I don't know. Maybe at the start he got with her for a storyline, but now they've fallen in love. I watch *TOWIE* and they genuinely look happy.

**Is your boyfriend Ben supportive of the book?**

Yes, he's amazing. I've told him everything about my past. He's my soulmate.

**Is *The Valleys* coming back?**

The producers asked me if I would do the show again and I said yes. It was meant to be happening in January, but now they've said they

don't know. So it's a possibility but I don't think I would do another series.

**Why not?**

I don't want to be drinking and getting my tits out and necking on with boys – that's not me any more. If I were to do another show it would be *Celebrity Big Brother* or *I'm A Celebrity*...

**Would you have more surgery?**

Definitely! At the end of this year I'm going to Turkey to have a Brazilian butt lift. They'll take the fat from my stomach and thighs and put it in my bum, so I'll have a Kim K butt. I'm also having bigger implants and my nipples made smaller. I'm going to have a nose job as well. ■

She parties with rapper Drake, has a scuffle with Lauren Goodger and isn't a fan of James Lock!

# 'I've tried every weight loss trick!'

**Helen Lederer talks body battles and her return to Hollyoaks...**

**F**rom stand-up to actress to author, Helen Lederer has had a varied career, but she admits landing a role in *Hollyoaks* has been one of the most surprising twists.

Playing troubled midwife Mariam, who finds herself at the centre of a baby swap storyline, she's been able to stretch her acting muscles while adding her own comedic flair.

However, the 60-year-old *Ab Fab* star admits joining a show known for its hot young cast has brought her body issues to the fore, forcing her to take action...

**Hi Helen! So what's it like to be back on *Hollyoaks*?**

Oh, it's lovely. When I first played Mariam a year ago I was told she may return, but I didn't really believe it. I love the energy of it. She's such a complex character to play. I'm still getting used to not giving away storyline spoilers – it feels like I'm in MI5!

**Did you have to do much research for the role of a drunk, eccentric midwife?!**

Well, I'm known for liking a drink, put it that way! I'm quite scatterbrained too – although I'd never do anything as dangerous as Mariam. I just drive people crackers by being quite forgetful and misplacing my props.

**Is it hard having to look dowdy when everyone else is so glam?**

I don't wear make-up on screen, but I just had to suck it up, as the young people say. I'm promoting my book, *Losing It*, and there are old photos of me that I look at and think, "Blimey, I look quite good there!" But at the time I was going, "Oh God! I'm fat and horrible."

**We heard that you tried to lose weight before joining *Hollyoaks*...**

Tragically, I was going to get a gastric band before I did *Hollyoaks*!

As Mariam in *Hollyoaks*

She flopped in *Splash!*

When I knew I'd got the part I wanted to get in shape, but as time went on it felt like it was my only option to lose it in time. I got all the brochures and stuff, but luckily the reality of what I was going to do hit home and I changed my mind. I never wanted to be model thin, I just wanted to increase my confidence.

**What other extreme weight loss methods have you tried?**

I've done colonic irrigation and in the 80s I took amphetamines, which you could get a doctor to prescribe. It was never a solution, though, because your heart beats too fast and when you stop taking them all the weight goes back on.

**Are you happy with how you look now?**

It'd be so nice to not be fat, but I have to remind myself that when I meet people I don't look at their thighs, so mine shouldn't matter. I love wine and food so much, I have to accept it.

**There's an *Absolutely Fabulous* film in the works. Will you reprise your character?**

I'd love there to be an *Ab Fab* movie and it would be a dream

come true to be in it, but I'd never assume anything. I saw Jane Horrocks recently and she

hadn't heard anything either, but we're both hoping.

**After *Splash!*, would you do another reality show?**

I'd rather not have a meltdown on TV, so probably not. At least with *Splash!* I learnt to dive – even though it has actually made my vertigo worse. But some people said horrible things, so it may be best not to repeat it!

**What's the worst job you've ever had?**

When I was a stand-up, which was always a job I had a love/hate relationship with, I also worked as a singing telegram. I remember my mum would come with me and sit in the car, while I'd be in the back seat putting on a basque. Then I'd go and sing the song to some poor bloke and put a custard pie in his face. It was very embarrassing. ■

## HOW AB FAB ARE YOU?

**BOLLINGER OR CHARDONNAY?**

Bolly – I like the fizz. From cava to prosecco to champagne, it's all about the bubbles!

**DESIGNER OR HIGH STREET?**

High street. As long as it fits me or I can get it adapted, then that's just fine.

**SUSHI OR SANDWICH?**

Bread makes me blow up like a house, so I should go for sushi. Whether I do in reality is another matter!

**DINNER DATE OR WILD PARTY?**

Wild party. I like a good dance and large groups of people – I do not like silences.

**VERDICT** Patsy would be proud!

We'd put money on egomaniac Kanye West thinking this is the best book of all time. A rather alternative New Testament went on sale online last week called *The Book Of Yeezus* – in which every mention of Jesus is replaced by Kanye's alter ego.

In case you'd forgotten, the 37-year-old rapper named his album *Yeezus*, released a song called *I Am A God*, and compared himself to the big man on several occasions.

Wait a minute, is Kanye the one who commissioned this "Bible for the modern day"? (Duh, rhetorical question.)

And Yeezus  
said unto  
him...

Anything Miley  
can do...

...Anne can  
do better

## Anne's just being Miley

Miley Cyrus, if you ever need an understudy, you should really give Anne Hathaway a call.

The actress, 32, did a killer version of Miley's *Wrecking Ball* for TV show *Lip Sync Battle*, donning tiny pants just like in the infamous film clip. A fierce Anne even flipped rival Emily Blunt the finger – and ultimately beat Emily's take on a Janis Joplin classic.

# Giuliana 'My ex cheated on me... with Geri'

E! TV presenter Giuliana Rancic is spilling some juicy secrets in her new book *Going Off Script* – including claims that her ex Jerry O'Connell cheated on her with Geri Halliwell!

Giuliana, who dated the 41-year-old actor in the early 2000s, writes, "I was being two-timed for one of the lesser Spices?"

And that wasn't the only time. In 2004 at an industry do, Jerry apparently flirted with Rebecca Romijn – his now wife. Days later, he refused to let Giuliana into his house, saying, "Sorry homegirl. Things change, but you take care." Harsh.

Ginger was named!

# Taylor's cancer heartache

Taylor Swift penned an emotional note to her fans on her Tumblr page last week, revealing that her mum Andrea is battling cancer.

The 25-year-old singer, who is often joined on tour by her doting mum, said Andrea has "an important battle to fight". Adding that her mum found out after she and her brother, Austin, begged her to get a check-up, Taylor said, "She wanted you to know because your parents may be too busy to go to the doctor, and you reminding them to get checked for cancer could lead to an earlier diagnosis."

Fans have since flooded Twitter with messages of support for Taylor and "Mama Swift".

# Misha takes her mum to court

She earned her millions as a teen star on hit show *The OC*, but Misha Barton is now suing her mother and former manager Nuala – for allegedly stealing a chunk of her hard-earned cash. In a lawsuit filed in LA, Misha, 29, is asking for \$25m in damages. She accuses her mum of bullying, withholding earnings without her knowledge and exploiting her fame.

Misha's at war with her mum

# Gwyn & Brad go public

They recently took a family holiday to Mexico, but Gwyneth Paltrow has shown she really is just friends with her ex Chris Martin – by going public with her new boyfriend Brad Falchuk.

The 42-year-old actress has been linked to the TV producer for more than a year, but they were pictured together for the first time at Robert Downey Jr's 50th birthday bash in LA.

Meanwhile, Chris, 38, is still very much on with Jennifer Lawrence – the pair were spotted boarding a private jet over the Easter break.

Gwyneth has moved on

● Bruce Jenner is set to break his silence on long-standing rumours he's having a sex change – in a tell-all interview with US journalist Diane Sawyer on 24 April. Ex wife Kris Jenner's sister Karen Houghton has spoken about how it has affected

the family, saying, "It has embarrassed my sister. I told Kendall and Kylie, 'I will always love your dad. I don't care what he does.' This is hard on them." ● US lawyers have alleged that Michael Jackson paid \$200

million to as many as 20 people to keep quiet about their sexual abuse claims against him. ● Warring exes Amber Rose and Wiz Khalifa are said to be back together – days after she said "he will forever be the love of my life".

# 'Steps could reform again!'

**Singer Faye Tozer on getting the band back together and her hopes for another baby**

**S**teps may have gone their separate ways, but

Faye Tozer hasn't been twiddling her thumbs since their last tour in 2012. The 39-year-old has carved herself a new career in musical theatre and plays – plus she's still doing the odd bit of singing – making a guest appearance with swing artist Jason Isaacs in London last weekend.

But while Faye loves her acting career, she admits her Steps days are not completely behind her, and a reunion could be on the cards. The former pop star gives us all the Steps gossip, and reveals she and hubby Michael Smith want a sibling for their six-year-old son Benjamin...

**Hi Faye! Is it hard being away from your family for work?**

I get two days off most weeks, so I get to come home, do the school run and make sure Benjamin is doing his homework. But he normally gets to see me when I'm in a play.

**Do you enjoy acting as much as singing?**

I love it. I always wanted to do musical theatre and, because Steps were a household name, I've been given some really amazing roles.

**Would you and Michael like to have more children?**

We've been trying for a while and it just hasn't happened for us yet. We must have been really unlucky with timings, but we're working on it, so fingers crossed! Benjamin is desperate for a sibling and one more would be perfect.

**How are you feeling about turning 40 this year?**

I used to have a problem with ageing, but as I get older and

the spotlight is on me less, I have to be positive. I feel healthy, strong and satisfied in everything I've done, so bring it on! I'm thinking of having a mad girlie weekend in Marbella to celebrate.

**You've done it once before, but will there be another Steps reunion?**

We've all discussed it because we enjoyed it so much last time. It's definitely possible.

It's such a big thing to organise – it's not just about getting the five of us together. We've also left quite a legacy behind us by doing such extravagant tours, so a new one would have a lot to live up to.

**Who are you still in touch with from the group?**

We all see each other sporadically, depending on where we are in the world, and we all keep in contact by email and text. I probably see

STAR'S FASHION TEAM GIVES ITS VERDICT ON THIS WEEK'S OUTFITS

LOOK OF THE WEEK!

VANESSA HUDDGENS

8/10

The actress strayed from her usual boho style and chose a vampy look for her Broadway debut. The bandeau dress by Alice + Olivia flatters her petite frame and we love the Gothic jewellery and smoky eye make-up.

FEARNE MCCANN

4/10

We're used to the TOWIE star making an impact, but this look is a huge disappointment. The denim is ill-fitting and an awkward length, and the top is dated. Her hair and make-up are on point, though!

PASCAL CRAYMER

1/10

OMG! Where to start with this?! It's proof that a fringed leather belt should never be worn instead of a skirt – nor is it appropriate for a charity event. A big no from us.

MIRANDA KERR

7/10

This is daytime chic at its best. Miranda cuts a stylish figure in a simple white T-shirt dress and cream cardigan, and the handbag adds a pop of colour. We love this laid-back look on the model.

REESE WITHERSPOON

6/10

Reese taps into the monochrome trend with this JOA midi-skirt and works the wholesome American girl tag in this Fidelity denim jacket. It's a nice look, but a little boring and frumpy.

# Beauty buzz!

## CRAZY FOR COCO!

Would you believe Nicole Scherzinger's glowing complexion is all down to a natural kitchen staple? The singer says, "My favourite skincare treat is simply coconut oil." Apparently, her aunt extracts it from her coconut tree in Hawaii and ships it over! For the rest of us, Jax Coco, £14.99, is the perfect alternative. Celebrity fans including Sienna Miller and Cara Delevingne love this organic extra virgin oil that you can use on your face and body or as a hair treatment.

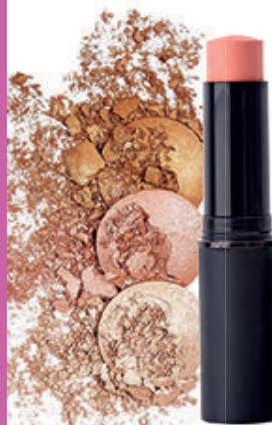

## A POUT WITH POP

The beauty buffs at Clinique know a thing or two about finding the perfect lippe, and now they've solved all our lip problems by combining primer, colour and moisture with new Pop Lip Colour + Primer, £16. In 16 shades with a long-wear velvet finish, we think Poppy Pop, right, is perfect for spring.

## PURELY FABULOUS

New Look's Pure Colour cosmetics line was a huge success when it launched last year, so we couldn't wait to try out the new additions. Our faves are the baked bronzers for pretty spring shimmer and the creamy stick blushes for fast-fix fabulousness, £6.99 each.

## GLAM GLOW

We're used to seeing her all glammed up, but singer Rochelle Humes doesn't wake up like that! She uses Glamglow mask, £49.99, as her "morning skin prep". And she's not the only girl from The Saturdays to become a loyal fan of this face treat – Frankie Bridge is also obsessed with it!

## TRIED AND TESTED PRESSED POWDER COMPACTS

GOSH PRESSED POWDER  
£7.99

Good value powder ideal for emergencies, but it's too light to give really good coverage.

BOURJOIS HEALTHY  
BALANCE  
£8.99

This evens out skintone without it looking dry. The slim compact with a large mirror is perfect for your handbag.

SOAP & GLORY KICK ASS  
£12

Completely translucent, this glides onto skin easily and improves your complexion in a flash.

NO7 PERFECT LIGHT  
PRESSED POWDER  
£11.50

This is a nice light, velvety powder, but you don't get much for your money. The mirror is quite small too.

# 'I am not too skinny!'

**Danielle Lloyd spills her gym secrets and how she feels about her tiny figure**

**S**he's well known for her love of a gym selfie and maintaining a trim and toned figure, but model and mum-of-three Danielle Lloyd says she still enjoys a Ferrero Rocher or five!

The 31-year-old, whose divorce from Jamie O'Hara was finalised in December, admits she takes pride in her appearance and works hard to maintain her figure.

However, her priority is her boys Archie, four, Harry, three, and 20-month-old George, who, along with her personal trainer, keep her on her toes...

**Hi Danielle! How often do you work out?**

I go to the gym at least three times a week with my personal trainer Jamie to motivate me. It's hard work and he kills me, but it's all worth it. There's no

better feeling than seeing the results. I'm so much more confident now and, because exercise releases endorphins, it's a great way to start the day.

**What's your diet like?**

I try my hardest to eat well. I have a lot of protein throughout the day and limit carbs as much as possible. I don't deprive myself, though, because I know it would make me miserable.

**Which foods are your guilty pleasures?**

My biggest weakness is bread. I can't say no to crusty bread with butter! My treats are a couple of glasses of red wine and Ferrero Rocher chocolates. I could eat a whole box!

**How do you feel about comments that you've lost too much weight?**

It's frustrating when people say I'm too skinny because that's not my focus. I want to be lean and healthy. Everyone will always have an opinion – you can't win. But I'm happy

and healthy and that's what matters to me. I'm just over nine stone and a size 8, and I'm happy with that.

**Are you more health conscious than before you had children?**

I've seen my body change a lot through all my pregnancies and it's important to me to look after it. I like to look good, but I also want to be healthy for my boys.

**Do they eat healthily too?**

They love fruit, but I do treat them a couple of times a week because you can't be too strict.

**As a busy mum, what do you do to relax?**

When my kids go to bed I run a bath and watch all the soaps, sometimes with a glass of wine. Then it's off to bed. Hardly an exciting life!

**What is your top beauty trick?**

Drink lots of water! It helps the whole body, especially your skin, to stay hydrated. I'm also a huge fan of Flint+Flint skincare products too. ■

## ALBUM

### Shayne Ward Closer

Once he had a chunky record deal and sold music at super-fast speed. By contrast, Shayne's latest album has been released with the financial backing of fans on PledgeMusic. And perhaps this has set him free to broaden his range. There are funky tracks here, like *Rendez-vous*, pure pop with *My Heart Would Take You Back* and even a cover of The Sugababes' *About You Now*. Something for everyone! ★★★★★

## FILM A Little Chaos (12A)

Stars: Kate Winslet, Matthias Schoenaerts, Alan Rickman

We've had the sci-fi avalanche and the kiddie-flick onslaught, but this month the future is all about... the past. The biggest film in the period pick 'n' mix is this drama about the world of landscape gardening – no, keep reading, it'll grow on you!

Hunk of the hour Schoenaerts plays André Le Notre, head garden designer to Louis XIV (Rickman), a French king with a fondness for casually beheading people.

Handed the task of building the world's greatest garden in Versailles

(no pressure, buddy), André hires pretty widow Sabine (Winslet) as his assistant. It's a controversial choice because – gasp – she's a woman and – eek – she's not into the usual twiddly topiary. In fact (shield your eyes) she's rather into tealights.

Romance, flower-planting and guillotine-dodging ensues. But this is about as exciting as things get.

**Verdict:** Like an episode of *Ground Force* set in Versailles, it's perfectly pleasant. However, it's unlikely to set your world on fire. ★★★

## SINGLE Rihanna Bitch Better Have My Money

The last time we heard from Ri-Ri was with her fragile vocals on *FourFiveSeconds*, but this is the punchy, singalong style we're more

accustomed to hearing from her. The menacing, catchy chorus means this isn't one to sing at work, especially if you, say, serve customers in a shop. It's not her best work but it's powerful stuff and a guide to what we're going to hear from her eighth studio album. You heard the woman – hand over the money! ★★★

## FILM The Salvation (15)

Stars: Mads Mikkelsen, Eva Green, Eric Cantona

In some ways, this rooting-tooting cowboy movie plays things very much by the yee-haw rulebook. There's gunfire, the clatter of hooves, a beautiful dame (Green) and a grizzly baddie with a moustache that's as wild as the West. But there are respectful tweaks to the genre, too. The hero, Danish immigrant Jon (the magnificent Mikkelsen), has hunted down and killed his family's murderers, which means gang boss and all-round wrong'un Delarue rolls into town with his henchman (played, randomly, by ex-football star Cantona) to unleash hell. **Verdict:** The West at its best. ★★★★★

## FILM Child 44 (15)

Stars: Tom Hardy, Gary Oldman, Noomi Rapace

It was hard enough taking on Batman, now Hardy is pitting himself against the enormity of the Soviet Union as a disgraced Russian cop on the trail of a serial killer who's murdered dozens of children. The problem is, the idealists running 1950s Communist Russia reckon "there is no crime in paradise" (er, so why the police force, guys?) and trying to expose the killer becomes tantamount to treason. If you love Hardy and have a high bleakness threshold, this is one for you. **Verdict:** A tightly plotted political thriller that really delivers. ★★★★★

WORDS: JAMIE DOWNHAM

# 'I'll play Vera until the Zimmer gets in the way!'

**Brenda Blethyn reveals what she loves most about playing the detective...**

**T**here aren't many people who can say their careers are better than ever at the age of 69, but Brenda Blethyn is one of them.

The actress has been playing the lead role in ITV detective series *Vera* since 2011, and the public's adoration of her is testament to just how successful she has been on the hit show.

We catch up with Brenda to hear all about the new series...

**Hi Brenda! What do you enjoy most about playing your character, DCI Vera Stanhope?**

I love solving things, so when I get the script I like trying to work out who's done it before I get to it. I'll forever be grateful to crime writer Ann Cleeves for creating this character! She says that when she's writing, she always hears my voice. That's really flattering!

**Can you relate to Vera?**

She concentrates on the job. She's not reliant on fashion, she just gets on with it. I'm a bit like that. I'm happy – my glass is always half full.

**Will there be any romance for her this series?**

Who knows? She doesn't plan those things, but you get ambushed by love.

**Would you do another series?**

I'll continue to play Vera until the Zimmer gets in the way... I can see that looming!

**EXCLUSIVE!**

**Does your husband Michael visit when you're filming?**

I said to him, "You're going to come to Newcastle for the next series. You didn't last time." He said, "I came for a weekend!" But I was there for five months!

**Do you find it hard being away for so long?**

I miss my family and my home, so yes it's hard. If something needs doing at home, I'd be fretting over it and thinking, "Oh God, Michael will be useless at sorting that out!"

**Aside from Vera, what would be your ideal role?**

I'd love to play a villain or a lovable rogue like Del Boy!

**Would you ever make a return to the stage?**

Yes, I would. Maybe next year I will do something.

**What's next for you?**

I was supposed to be doing a film in Belgium, but I wasn't

**-DO NOT ENTER CRIME SCENE-DO**

As cop Vera in the hit drama

Brenda with husband Michael

ready so I asked them to recast it. I thought the director, Rachid Bouchareb, would never want to work with me again, but I saw him in Iceland recently and he said, "That's life!"

**And now you're on Twitter.**

**How do you find it?**

## The Following / CSI: Crime Scene Investigation

**9pm, Sky Atlantic / 10.10pm, Channel 5**

If *Britain's Got Talent* and *Casualty* aren't gritty enough to keep you entertained on a Saturday night, then you might want to consider flipping over to Channel 5. That's because they have got a quadruple whammy — four whole hours — of American cop dramas that might float your bloodthirsty boat. It all kicks off with a double bill of *NCIS* repeats before a brand new episode of *CSI* is shown. The first (and now only one left) of the franchise sees an appearance from *Saved By The Bell* and *Franklin & Bash* star Mark-Paul Gosselaar who crops up during an

investigation. And to finish off your Channel 5 fix of crime, there's a repeat of *Law and Order*. Meanwhile, over on Sky Atlantic, it's time for another new episode of *The Following*. Tonight, the FBI closes in on a suspect who they believe to be the culprit behind the latest batch of murders — but Ryan reckons the killer is still out there, leading him to dig deeper into dangerous territory. Elsewhere, Joe undergoes an evaluation in the days leading up to his execution — but will his death actually take place? And a new target tries to cover his tracks. ★★★★★

## WATCH THE HEALTH LOTTERY TV DRAW

**EVERY TUESDAY, WEDNESDAY, FRIDAY & SATURDAY NIGHT**  
In the first ad break after 9.55pm on Channel 5

## Britain's Got Talent

**8pm, ITV**

We loved last week's opening episode of mad-cap hopefuls and wannabe performers but will any of tonight's batch make it through to the next round? Or even better, will one of the judges give them the golden buzzer and fast track them through to the live shows? Expect more laughs at the expense of the deluded and the deliberately funny. ★★★★★☆

## Vera

8pm, ITV

The death of an unidentified man dredged up from a slurry pit on a Northumbrian farm is the focus of Vera and partner DS Aiden's attention tonight. It's not long before farm owner Danny and right-hand man Milosh admit they've been using illegal Serbian workers. But the body is identified as Jack Reeves, a young man from the local travelling community, and Vera can't work out what his link to the Serbians or the farm is. His dad reckons he's not seen his son since he broke off his engagement to his girlfriend—raising the question, would his nearly father-in-law be angry

enough to get revenge on Jack for not marrying his little girl? Later, an old police report links Jack to a fight in a pub owned by Danny's brother Jim and reveals the real reason why Jack broke off his engagement. It seems that for months he'd been hiding out in a mobile home close to the farm. A fingerprint search also reveals the son of farm owner Danny had been inside Jack's mobile home. But why? Well, our favourite dowdy detective has a few ideas of her own but needs DC Bethany and DC Kenny to help her join the dots and complete the picture. ★★★★★☆

## NEW SERIES

### The Paul O'Grady Show

5pm, ITV

Who is your favourite talk show host? There's no shortage of them to choose from and most of the big players are comedians. Of all currently on our screens it's Graham Norton who gets the biggest celebrity guests and the largest number of viewers. Even his main rival, Alan Carr, recently admitted his show, *Chatty Man*, doesn't attract the same calibre of stars, saying, "Graham's guests are just off the scale, they're absolutely amazing every week, but I haven't got that oomph yet." And somewhere in between the two is Jonathan Ross, whose recent guests have included

the mighty Madonna and David Beckham. But just because he's nestled away in the tea-time slot, let's not forget about funnyman Paul O'Grady. His talk show first popped up back in 2004 on ITV, then he jumped ship to Channel 4 a year later. He returned to ITV for a 9pm slot but after two years it failed so he vanished from the circuit until 2013 when *The Paul O'Grady Show* returned for late afternoons. The host's light-hearted chat show returns to our screens this week and will feature a mix of celebrity guests as well as a few heart-warming surprises. ★★★★★

### Modern Family

8pm, Sky1

Here's an unusual way to make a comedy – tonight's episode is filmed entirely on Apple devices, nice product placement. We'll be following the airport-bound Claire's attempts to track down Haley, who has disappeared following an argument. So Claire has to FaceTime the rest of the family to help her reunite with her daughter. ★★★★★

### Silicon Valley

10pm, Sky Atlantic

It's an all-new second series for this clever comedy set in the nerdy world of California's Silicon Valley. In the last series, super-geek Richard took the tech world by storm with his music app Pied Piper. But legal troubles and a competitor's plans for revenge are about to derail his scheme. Meanwhile, Monica has a new boss to deal with. ★★★★★

### MasterChef

8pm, BBC1

Finals week continues tonight as the final four become the final three. First, the amateur cooks head to Sweden to face a series of challenges with a difference. Over 48 hours they will experience two peculiar restaurants. The first has no menu and invents dishes on the day with whatever ingredients their suppliers bring in. And the second cooks with no electricity or gas—and puts its faith in the most primitive cooking method of all—an open fire. The contestants face their toughest task yet when they are thrown in at the deep end and asked to use the

techniques of the culinary Stone Age. Then, with their Swedish adventure over, and the *MasterChef* final just two days away, they return to the UK to fight for their place in the competition. Tonight's last challenge is to cook a fish dish for John, Gregg and guest judge Nathan Outlaw—a man with two Michelin stars to his name. Only three can go through so the pressure is on. Then, on Thursday night, they face the chef's table before Friday's final, where the search for the country's best amateur cook reaches its climax. And they'll have to pull out all the stops to win! ★★★★★

## The Hotel Inspector

9pm, Channel 5

We are astonished that after filming *The Fixer* and *The Hotel Inspector*, Alex Polizzi has any hair left. That's because if it was us we'd be pulling out our locks in frustration at some of the stubborn people she has to deal with. In tonight's episode, Alex turns up to help launch a brand-new hotel in Ramsgate, but it is not long before she discovers this project is plagued by the age-old problems she has faced with some well-established but troubled hotels. The historic Albion House was once used as a summer retreat for royalty, namely a young Queen Victoria. However,

these days it's not so popular and it faced an uncertain future until Gay and John Haines stepped in. Their plan was to convert it into a 14-bedroom boutique hotel—a project that is being managed by Gay's close friends, husband and wife team Ben and Emma Irvine. But in the run up to the official opening, Alex learns the multi-million pound budget has been well and truly blown and deadlines are just a thing of the past. Financial disaster is staring both couples in the face, so can Alex help stop it going bust before it's actually opened? ★★★★★

## Madam Secretary

9pm, Sky LIVING

Tea Leoni, ex-wife of David Duchovny, stars in this new drama as the recently appointed secretary of state Elizabeth McCord. Pulled out of semi-retirement, the former CIA analyst is thrown in to the deep end and has to juggle work with the White House. And she hits the ground running with an international hostage crisis on day one. ★★★★★

## The Island with Bear Grylls

9pm, Channel 4

We're down to just 12 women on the island now as the treacherous conditions are starting to wear down the contestants. With rations at a worrying low, the campers are forced to head back into the jungle in search of a water source as well as a hearty meal. However, despite their plight, when they come across two pigs, the team cannot agree on the animals' fate. ★★★★★

## NCIS: New Orleans / NCIS

9pm / 10pm, Channel 5

In the first of tonight's American crime double, the New Orleans team take a look at the death of a retired Navy SEAL whose job was to investigate people who pretended to be Navy personnel. One of the cases he was examining involved Len, who used his fake Navy ID to run a money-making scam. But while being interrogated by Brody, Len's girlfriend admits Len killed the victim so that he wouldn't turn them in. However, the couple can't account for a mysterious jacket found in their house. It belonged to a petty officer who is presumed to have been killed while on

active service in Afghanistan, but whose body was never found. Is he still alive? Meanwhile, the NCIS team looks into the case of marine corporal Flegman who is discovered shot dead. The team then locates a phone on his body with several missed calls made from a hotel room just prior to his murder. While on the hunt, Gibbs then awkwardly meets his ex-wife Diane and an agent in a state of undress. However, it turns out she's been trying to call her boyfriend to break up with him, but somehow his phone ended up in the dead marine's possession. ★★★★★

# 60 Seconds with

# Nick Jonas

**The 22-year-old singer talks Googling himself every day and what makes him cry...**

**What's your most treasured possession?**

An Elvis Costello custom acoustic guitar. It was a gift from my mum and dad and I love it.

**What was your Plan B?**

I would be an athlete of some sort. Probably a baseball player or a golfer.

**When did you last cry?**

When my grandfather died. It takes a decent amount for me to cry.

**Have you ever been starstruck?**

I've met so many amazing people but I've never really had that feeling of being starstruck. But there are people I was particularly thrilled to meet, such as President Obama, Jay Z and Beyoncé.

**What's on your bucket list?**

I'd like to win a Grammy. I have been nominated, but Adele had to ruin it and be amazing! I would also love to spend a month or two travelling, exploring parts of the world I haven't been to yet.

**Do you have any secret talents?**

I play a good game of golf – that's a real passion of mine.

**Do you ever Google yourself?**

Every morning! I always want to know what people are saying about me before I do an interview. You don't want to get blindsided.

**When were you at your happiest?**

This past year as a whole has been a really amazing year. I accomplished a lot of things I wanted to do.

**What annoys you?**

Where do I begin! Unnecessary abbreviations like LOL annoy me – no one is actually laughing when they say that.

**What's your favourite film?**

*Dead Poets Society* is my all-time favourite. I weep when I watch it.

**Where's your favourite place?**

New York City. I lived there for two years and I love it.

**Who's the rudest celeb you've ever met?**

I've met so many! One interrupted a conversation between me and someone else. I just thought to myself, "Who peed in your Cheerios?"

**Have you ever said, "Do you know who I am?"**

I've heard other people say it, but not the people I hang out with.

**Do you have a life mantra?**

Live like you're at the bottom even if you're at the top. ■
